2015 SCHOELLKOPF AWARD NOMINATIONS

Please consider submitting a nomination for this prestigious award--the oldest continuously presented section award in the ACS.

Take a moment to think of the chemistry professionals you know well: the educators, the long-time innovators, the inventors...These are the Western New York stars we want to recognize. Help this to happen by committing to putting together a strong nomination, including their full history of accomplishments, patents, publications and collaborations. Plan out the colleagues who can attest to the singular qualities of your nominee, and line up their strong support in the coming spring months. Plot out the best stories to tell about them at the 2015 banquet in honor of the 85th Schoellkopf Medalist...

Make the nomination a team effort within your whole organization. Nominees not selected are automatically considered for the following year's medal, and updates and enhancement of nomination packets is encouraged.

More information is available on the nominations website: wny.sites.acs.org/schoellkopfnomination.htm. Questions may be directed to the Schoellkopf Committee Chair, Dr. Timothy Gregg (greggt@canisius.edu, 716-888-2259).

Nominations should be submitted electronically as a single PDF document by **May 1, 2015** to the secretary:

Dr. Christopher J. Patridge
patridge@dyc.edu
