## SCIENCE CAFÉ EVENT

### EXCHANGE IDEAS AND CHALLENGES

Please join us for the inaugural WNYACS Science Café. We are currently seeking area chemists to give brief (5-10 minute) presentations about their scientific interests (research or otherwise) in an informal, discussion-rich environment.

If you would like to be a speaker or have questions, email Rob Stewart: [robert.stewart@honeywell.com](mailto:robert.stewart@honeywell.com)

Following each seminar, the café will turn to an open forum for mingling and exchange of broad ideas, challenges, and opportunities that our community faces. Take advantage of this event to gather informally with old and new friends, to share ideas and challenges with peers, and to enjoy food and a few adult beverages.
